

Campus Technology Overview

OLIVET NAZARENE UNIVERSITY

What do I get with ONUnet?

- Campus-wide wireless access
- Network ports in every room
- E-mail account
- Blackboard – Online course management and information portal
- Tiger Dollars for printing, laundry, vending, off-campus vendors, and more.
- Personal web pages
- Cable TV – Over 40 channels

What do I Need?

- **Operating System**
 - Windows XP or Vista
 - Mac OS X 10.3 or higher
 - No beta or release version supported
- **Hardware**
 - See pages 5-6 of orientation booklet for hardware recommendations
- All computer brands are compatible with ONUnet even though Olivet is officially partnered with Apple and Dell

What do I Need?

- **A Network Interface Card (10/100/1000) Ethernet RJ-45**
- **A 15' - 20' Ethernet RJ-45 Patch Cord**
- **Antivirus Software (updated)**
- **For wireless: A 802.11a, b, or g wireless card (Wi-Fi Certified)**

Student Policies

- **Since we provide complete wireless coverage on campus, no student-owned wireless access points are allowed on campus!**
- **No personal telephones or modems to plug into our phone system**
- **Student computer support available but on a limited basis and requires \$50 up-front fee**
- **Be responsible with your computer**

Helpful Resources

- **IT Help Desk**
 - **Phone: 815.939.5302**
866.400.5302 toll-free
 - **E-mail: it@olivet.edu**
- **Internet: it.olivet.edu/newstudent**
- **Discounted software available – More details available in July**

FAQs

- Internet filtering is used on campus
- Printing available in most academic buildings:
 - \$.07 per page (black/white)
 - \$.50 per page (color)
- Labs are available for students without computers

Telecommunications

- Each dorm room or apartment has a phone
- Each occupant has personal extension and voicemail inbox
- Free local and on-campus calling
- More telephone features found on page 3 of the orientation booklet

**Thank You &
Welcome to Olivet**
